

# TEMPLETUOHY FARM MACHINERY Ltd.

**Special Offer on Filters until June**

### Why are John Deere Air Filters Better?

Genuine John Deere filters defend against engine invading contaminants. They reduce engine wear by removing dust, dirt and other pollutants from intake air.

**3 filters = 10% discount  
5 filters = 15% discount  
8 filters = 20% discount**

**Special offer is only available for payment on collection**

### Avoid downtime with John Deere Fuel Filters.

Water is the number one enemy of fuel. John Deere fuel filters trap and repel water which can lead to poor performance and reliability. They're matched to your machine for optimized fuel flow.

### Why use John Deere oil filters?

Quality components and construction make John Deere oil filters a good choice for your machine.
